You can save the form at the end of each short section and go back to it later. For reference, the information required to complete the form is summarised on page 3 of this document.

You will be asked to accept the conditions on page 4 of this document.

Once your application has been successfully registered you will receive an email confirming your **unique registration number** and a link to upload your scores and references. You need to keep this email. Please check your junk folder if you do not receive it. You must quote your registration number in any correspondence about your application.

If you run into technical problems making your application [please get in touch](#).

Step 2 Contact your referees

Applications must be supported by two confidential references from professional musicians, one of whom should be your most recent composition teacher.

Please ask each referee to upload their reference (which must include their email address and phone contact) through the link provided in your registration email. References must be in either pdf or MS Office formats. Reference file names must start with your personal registration number followed by the last name of the referee.

Applicants will be responsible for ensuring that their references are supplied by the deadline. No application will be considered without two references.

All information must be received by 23.59 hrs on the day of the deadline.

You must submit three professionally presented pdf scores of recent works. The name of each uploaded file must begin with your registration number.

You should also be able to provide an online playable link to at least one recording (audio or video) of one of the submitted works. Recordings should ideally be of an actual performance rather than computer generated. Please ensure all links are valid until July 2023.
